

Spray-on Grease H1

Introduction

Technical sprays are used in nearly all sectors of modern industry. These sprays are used for care and protection of surfaces, for cleaning, degreasing, dissolving and separating and are essential in daily business.

However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.

WEICON Spray-on Grease H1 is an odourless and tasteless grease that has been formulated especially to meet the requirements of the food, cosmetic and pharmaceutical industry. It is in particular suitable for maintenance and service works in:

- The brewery and beverage industry
- Large abattoirs, canning plants
- Coffee-roasting shops, large-scale catering kitchens
- Swimming pools, hotels
- Hospitals

and wherever a direct contact to food can not be excluded.

Complies with: NSF H1 LMBG § 31 and § 21

1 NSF = Non-food Compounds Registration Program

Technical data

Colour	yellowish-white
Odour	almost odourless
Temperature resistance	-40 to +160 °C
Shelf life (minimum)	24 months
Special features	Odour- and tasteless high-temperature grease

Processing
